# ARTScool 2024 Descriptions

---

## A BUG'S LIFE

*Sebastian Melendez*

Tickly, prickly, creepy, crawly, and cute, bugs come in all shapes and sizes. We'll create unique, colorful, mixed media art inspired by them. Let's get busy buzzing!

## A PASSION FOR POP

*TBD*

Explore the many artists of the exciting Pop Art movement. Learn what inspired their styles and create unique art based off their most famous pieces.

## AFRICAN SAFARI STYLE

*Chelsea Provenzano*

Learn about textiles, illustrate a fashion collection, construct a fashion mood/inspiration board, make a textile printed swimsuit cover up, canvas tote, and beaded necklace.

## AMAZING ACRYLICS

*Ana Roca*

Explore color mixing, color values, composing the space, texture and brush strokes to create amazing paintings.

## ANYTHING BUT A BRUSH

*Sara TBD*

Achieve unique looks in painted artwork without using a brush! Students will learn a new way of making fun, mixed media art that may get a little messy.

## AROMA ON THE GO

*Sebastian Melendez*

We'll craft different bracelets and necklaces in a variety of fun colors & styles and even make braided essential oil bracelets that will carry a unique scent everywhere you go. Let the Aromatherapy begin!

## ART AROUND THE WORLD

*Sam Wilson*

Students will enjoy the exciting and enriching experience that celebrates the global mosaic of human expression. Join us as we embark on a creative journey around the globe, painting Japanese cherry blossoms, sculpting African masks, and creating Aboriginal dot painting art. Don't forget your artistic passport, as we visit a new creative destination each day!

## ART IN BLOOM

*Gina Nesbit*

Embark on a whimsical journey into the enchanting world of botanicals & bugs! Unleash your creativity through a blend of sculpture, watercolor, and pen techniques. From crafting intricate bug & plant sculptures to capturing the vibrant beauty of plants in watercolor, this class promises hands-on exploration of nature's wonders. Young artists will bring the garden to life!

## ART WITH GADGETS

*Kim Walbert*

Experiment and discover the art you can create with unusual gadgets and art making tools including bubble wrap, salad spinners, LEGOS, and even a broom. Students will also have a chance to make a fun & unique art making robot.

## ARTIST'S LIBRARY

*Kim Walbert*

This class combines stories about famous artists with art projects. Picasso, Kandinsky, Monet, Warhol, and more will be used as inspiration for painting, drawing and printmaking projects.

## BIG POP

*Sebastian Melendez*

Pop Art artists will be highlighted in this dynamic and fun class. We'll learn about the style of this art movement and create artwork inspired by the artists who made society look at the world in a different light.

## BIRDS OF PARADISE

*Sebastian Melendez*

Egrets, hummingbirds, peacocks, and blue jays are a few of the different bird species we'll learn about in this class. And we'll even make a very special red cardinal. Mixed media artworks will have students soaring high above the clouds.

## BREAKFAST AT TIFFANY'S

*Chelsea Provenzano*

Learn about actress & fashion icon Audrey Hepburn, and her collaboration with iconic designer brands, Coco Chanel and Tiffany & Co. Illustrate a fashion collection, construct a fashion mood/inspiration board, learn how to hand sew applique, customize a little black dress, and make a silver beaded bracelet.

## CELESTIAL SPACES

*Christine Otis*

Using Pollock's painting techniques, we'll splatter, drop & drip our creations of the cosmos, with a strong emphasis on negative space. Taking a look at the latest NASA images, students will design their own view of planets, deep space, and flying debris.

## CHEESEBURGER IN PARADISE

*TBD*

Celebrate the life of Jimmy Buffet through artwork. Our fun & colorful artwork will be inspired by a tropical Florida vacation full of sun, sand, and the beautiful blue ocean.

## CLAYSCOOL

*Karen Nelson*

This class explores the never-ending possibilities of what you can hand build with clay. You will use slabs, coils, slumping, pinching, extruding, and many other techniques to create fun and functional pottery. New projects every week!

## COLOR EXPLOSION!

*Kim Walbert*

It's all about color in this class! Explore the world of color with color wheels, 3 dimensional color sculptures, and lots & lots of painting.

## COMICS STORYTELLING

*Rich Faber*

Create a short comics story, learning how to use panel layout, borders, and word balloons to tell a visual story featuring your unique idea. Students will have the freedom to create stories in their genre of choice, whether featuring superheroes, funny animals, monsters, aliens & more.

## CUBIST MONTAGE

*Ana Roca*

Let's make cubist inspired paintings by upcycling items. You'll be amazed how different materials come together to create unique and colorful works of art.

## DASHING DUDS

*Christine Otis*

Inspired by a wide variety of colors & styles, sew pieces of fabric to create crazy designs for a wild & wearable piece of art.

## **DIGITAL COLORING**

*Rich Faber*

Working in Photoshop, we'll use the program to color any image, using both flat color & special effects to create dazzling artworks. \*New hardware and software

## **DIGITAL DRAWING**

*Rich Faber*

Using Photoshop, let's learn to draw onscreen, and apply each student's drawing skills in the digital realm. Students will be encouraged to draw the subject matter that interests them most, then enhance their drawings onscreen. \*New hardware and software

## **DINO-MITE**

*Sebastian Melendez*

Trek back to the time when dinosaurs ruled the Earth. Use your creativity and imagination to craft mixed media creatures with scales & tails, and horns & spikes.

## **DRAWING LANDSCAPES**

*Ana Roca*

Learn perspective drawing with a focus on landscapes, both rural and urban, as we incorporate natural elements & shapes into our artwork.

## **DYNAMIC DRAWING**

*Rich Faber*

Learn how to "push the pose." We will be exploring how to get the most interesting angles and poses of figures to create drawings that are dramatic and exciting.

## **EXPRESSIVE DRAWING**

*Kim Walbert*

Let's explore the art of drawing & make our own sketchbook. Creative techniques will be used to train the eye with still life and portrait projects. The senses of sight, touch, and sound will be emphasized with our drawing projects.

## **FABULOUS FIBERS**

*Sebastian Melendez*

Explore different fabrics & yarn, and be inspired by their unique textures. We'll use the colorful material for beautiful mixed media works of art.

## **FAIRY TALE ENDINGS**

*Sebastian Melendez*

Kings, princesses, and magical dragons will be joining us on our artwork adventure. We'll create mixed media artworks inspired by fairy tales such as The Princess and the Pea, The Frog Prince, Rapunzel, and The Little Mermaid. And they all lived happily ever after!

## **FLOWER POWER**

*Kim Walbert*

This class is full of flower power! The colors & styles of nature will inspire our creations that include paintings, giant flower sculptures, tissue paper carnations, flowers printed in foil, and painted flower pots filled with real flowers.

## **FUN WITH FIBERS**

*Sabrina Dieter*

Experiment with soft & colorful fibers, as we craft a variety of projects such as bracelets, pom poms, tie dye, and more! Students' creativity will explode as we wrap, twist, tie, and weave unique pieces with this versatile medium. The possibilities of what we can make are endless & awesome!

## **FUTURE EXPLORERS**

*Sam Wilson*

Don your space suit and gear up for a dynamic and imaginative class that travels into the future. Students will embark on a journey through time and space, exploring futuristic concepts and ideas through various artistic mediums. Students will create their own space cities, design their own flying cars, and make an alien!

## **GALAXY QUEST**

*Christine Otis*

Blast off to outer space as we capture our incredible universe in artwork. Spaceships, rockets, and galaxies full of moons & stars will be some of the themed art students will make that are absolutely out of this world!

## **HEARTFELT CREATIONS**

*Marjorie Pesek*

Cute animals, silly monsters and much more come together using brightly colored felt and simple stitching. Truly, no previous sewing skills required!

## **HI BARBIE!**

*Chelsea Provenzano*

Celebrate Barbie and all things full of color! Illustrate your own Barbie fashion collection, construct a fashion mood/inspiration board, plus make a graphic tee and accessories to match!

## **HEARTFELT CREATIONS**

*Marjorie Pesek*

Cute animals, silly monsters and much more come together using brightly colored felt and simple stitching. Truly, no previous sewing skills required!

## **I DREAM OF JEWELRY**

*Sebastian Melendez*

Rub the lamp and make a wish because we'll be making all different types of jewelry in this fun-filled art class. Be inspired by the wide variety of colors and styles to make friendship bracelets, necklaces, and earrings.

## **I HEART YOU!**

*Sebastian Melendez*

Learn about artists like Jim Dine and explore all the different ways this iconic symbol of LOVE will be created. We'll use collaging, watercolors, chalk, and even make window heart suncatchers which will add color, vibrancy, and of course love to any room!

## **JEWELRY DESIGN**

*Chelsea Provenzano*

Experiment with beautiful gemstones, metal beads and crystals! Construct a mood/inspiration board, learn new jewelry making skills & techniques, and hand-make a collection of necklaces, bracelets and earrings.

## **LAYERING IN PHOTOSHOP**

*Rich Faber*

Learn how to use layers to create and overlap different images, achieving interesting compositions & layouts. Using multiple images of their own artwork, students will create brand new compositions, cards, and other unique designs. \*New hardware and software

## **LIONS, TIGERS & BEARS OH MY!**

*Ana Roca*

Inspired by traditional African animal paintings, students will create animals that represent themselves. We'll use vibrant colors, dots, lines, abstract shapes, and paper collage to design animals in their habitat.

## **LONG LIVE THE QUEEN BEE**

*Sebastian Melendez*

Buzzzzzz! This class will focus on the powerful and resilient Queen bee. Whether with a 2-D stamping painting or 3-D pollination activity, students will not only learn their warm colors vs cool colors, but why these industrious creatures are so important to our environment. They're working 9 to hive!

## **MEOWWWW!**

*Sebastian Melendez*

Learn about the secret life of cats and how these feisty felines can be depicted in various types of art works. We'll explore the colorful & whimsical artwork of Brazilian artist, Romero Britto, and be inspired by his pieces to make our own mixed media creations.

## **MONSTERS, ALIENS & ROBOTS**

*Rich Faber*

Learn how to design and color your own creatures, whether they're scary dwellers of our own world, kooky characters from outer space, mechanical menaces or gentle giants, creativity is the key! Imagination will be our inspiration to develop these original designs.

## MOONSTRUCK

*Sebastian Melendez*

Is the moon really made out of cheese? Don't ask Mickey Mouse because you know what he'll say. We'll create art inspired by the magical and majestic moon that shines above each night.

## MYTHICAL MONSTERS

*Sam Wilson*

Your legendary drawing abilities await! Students will embark on a thrilling journey through mythology, folklore, and fantasy. Whether reimagining classic mythological creatures, drawing their favorite Pokemon or inventing entirely new creatures, we will explore the limits of our imagination as we turn myth into reality on paper.

## NATURE BY DESIGN

*Ana Roca*

Explore the shapes & patterns of nature that are all around us. From pinecones to seashells to butterflies, and even those found in the works of great master artists, let's create mixed media artworks that capture these unique designs.

## NATURE INSPIRED ACRYLICS

*Vicky Tesmer*

Landscapes, seascapes and botanicals will be our focus, along with developing drawing skills by studying shapes, styles & colors found in nature.

## NOTHING IS IMPASTO

*Dina Alexander*

Inspired by the great Impressionist painters, learn how thick brushstrokes and other media can add depth and texture to paintings, making it appear as if the subject is coming off the surface.

## HEADS UP!

*Rich Faber*

This skill-building drawing class will focus on creating convincing and correctly proportioned features of the head & face from any angle. These techniques can be applied to both realistic faces and cartoon characters.

## OPTICAL ILLUSION ARTWORK

*Ana Roca*

Learn exciting artwork techniques to trick the eye into seeing drawings that seem to flicker, move or pop off the paper. Using lines, shapes & patterns, we'll create incredible optical illusions.

## OUT OF THIS WORLD

*Sara TBD*

Get ready to blast off! Planets and galaxies full of moons & stars will be some of the Milky Way themed art we create in mixed media.

## PEN & INK WITH WATERCOLOR

*Vicky Tesmer*

Learn to paint with a flare for design by combining drawing subject matter in pen & ink with watercolor. The focus will be on developing drawing and design skills to make individual paintings along with a set of illustrated, unique greeting cards.

## PERFECTLY PATTERNED

*Christine Otis*

Use images from magazines and monoprinting to create beautiful patterns and artworks. We'll also explore shapes, colors, and textures to build unique designs.

## PHOTOSHOP FUN

*Melissa Owen/Rich Faber*

Learn the basics of Photoshop Elements or hone your existing computer design skills while creating & artistically enhancing photos, and experimenting with editing techniques to create amazing digital artworks. \*New hardware and software

## PICK & PEEL PAINT

*Christine Otis*

Pick and peel paint circles to create unique landscapes, animals, and people. These designs are layered using dried paint circles that can be 2D and 3D in design.

## PICTOGRAPHS

*Christine Otis*

Learn about ancient pictographs from different cultures, using symbols such as bears and dragonflies to create your own unique & colorful designs.

## PIGGY POWER!

*Christine Otis*

Oink for the arts! This cute, pink porker will be our inspiration as we used mixed media to make a variety of pig projects such as a piggy bank and soap.

## PIÑATA PIZZAZZ!

*Sabrina Dieter*

Swing into summer creating 3-D Mexican themed art and have the opportunity to break open the piñata on Friday, "fiesta day"! Unleash your creativity and immerse yourself in the colorful world of Mexican artistry!

## PLASTIC WRAP PAINTING

*Christine Otis*

Using plastic wrap and paint, see what you can create! A horse running in a field, fish swimming in the sea, birds flying high in the sky. Your imagination has no limits.

## PORTFOLIO DESIGN

*Kim Walbert*

Create a stylish artist portfolio, then fill it with unique masterpieces. There will be an emphasis on the elements of art including line, shape, color, texture, and value in our finished pieces.

## PRINTMAKING

*TBD*

Learn & use different techniques and processes to create colorful prints with a variety of materials. See how we can add textures & patterns to make our pieces truly unique.

## QUILLING CREATIONS

*Marjorie Pesek*

Learn the ancient art form of rolling colorful paper coils and arranging them in a variety of patterns to create intricate & decorative 3D artwork such as butterflies, hearts, flowers, and even jewelry!

## ROYAL JUBILEE

*Chelsea Provenzano*

Learn about royal fashion history, as well as world-renowned millinery designers. Handcraft your own millinery fascinators, and a chunky charmed bracelet fit for a Queen. Illustrate a fashion collection and construct a fashion mood/inspiration board.

## RUMBLE IN THE JUNGLE

*Sebastian Melendez*

Adventure to the deep, dark jungle as we learn about & create various types of animals. From the tall to the small, to those that swing, run & roar, we'll craft and paint a unique & exotic menagerie.

## SAFARI ADVENTURE

*Kim Walbert*

Don your pith helmet and trek on safari in this wild art class filled with 2 and 3 dimensional lions, elephants, zebras, and giraffes, as well as beautiful sunsets. Explore nature in all its glory on the adventurous continent of Africa.

## SCIENTIFIC ARTIST

*Sara TBD*

Let's mash up art with science, technology, engineering, and math to create fun & amazing works of art. Get inspired by the colors, patterns & shapes in each unique piece.

## SEASIDE SCENES

*Dina Alexander*

Inspired by the beautiful beaches of Florida, students will design coastal scapes using a variety of materials & mixed media that will create a variety of beachy effects from big waves to sandy shores.

## MOONSTRUCK

*Sebastian Melendez*

Is the moon really made out of cheese? Don't ask Mickey Mouse because you know what he'll say. We'll create art inspired by the magical and majestic moon that shines above each night.

Pick and peel paint circles to create unique landscapes, animals, and people. These designs are layered using dried paint circles that can be 2D and 3D in design.

## PICTOGRAPHS

*Christine Otis*

Learn about ancient pictographs from different cultures, using symbols such as bears and dragonflies to create your own unique & colorful designs.

## PIGGY POWER!

*Christine Otis*

Oink for the arts! This cute, pink porker will be our inspiration as we used mixed media to make a variety of pig projects such as a piggy bank and soap.

## PIÑATA PIZZAZZ!

*Sabrina Dieter*

Swing into summer creating 3-D Mexican themed art and have the opportunity to break open the piñata on Friday, "fiesta day"! Unleash your creativity and immerse yourself in the colorful world of Mexican artistry!

## PLASTIC WRAP PAINTING

*Christine Otis*

Using plastic wrap and paint, see what you can create! A horse running in a field, fish swimming in the sea, birds flying high in the sky. Your imagination has no limits.

## PORTFOLIO DESIGN

*Kim Walbert*

Create a stylish artist portfolio, then fill it with unique masterpieces. There will be an emphasis on the elements of art including line, shape, color, texture, and value in our finished pieces.

## PRINTMAKING

*Sara TBD*

Learn & use different techniques and processes to create colorful prints with a variety of materials. See how we can add textures & patterns to make our pieces truly unique.

## QUILLING CREATIONS

*Marjorie Pesek*

Learn the ancient art form of rolling colorful paper coils and arranging them in a variety of patterns to create intricate & decorative 3D artwork such as butterflies, hearts, flowers, and even jewelry!

## ROYAL JUBILEE

*Chelsea Provenzano*

Learn about royal fashion history, as well as world-renowned millinery designers. Handcraft your own millinery fascinators, and a chunky charmed bracelet fit for a Queen. Illustrate a fashion collection and construct a fashion mood/inspiration board.

## RUMBLE IN THE JUNGLE

*Sebastian Melendez*

Adventure to the deep, dark jungle as we learn about & create various types of animals. From the tall to the small, to those that swing, run & roar, we'll craft and paint a unique & exotic menagerie.

## SAFARI ADVENTURE

*Kim Walbert*

Don your pith helmet and trek on safari in this wild art class filled with 2 and 3 dimensional lions, elephants, zebras, and giraffes, as well as beautiful sunsets. Explore nature in all its glory on the adventurous continent of Africa.

## SCIENTIFIC ARTIST

*Sara TBD*

Let's mash up art with science, technology, engineering, and math to create fun & amazing works of art. Get inspired by the colors, patterns & shapes in each unique piece.

## SEASIDE SCENES

*Dina Alexander*

Inspired by the beautiful beaches of Florida, students will design coastal scapes using a variety of materials & mixed media that will create a variety of beachy effects from big waves to sandy shores.

## SPLATTER, SPRINKLE, SHOOT!

*Christine Otis*

Come enjoy a full artistic menu of soup, sandwiches, seafood and delicious desserts. Printmaking, collage, 3 dimensional sculpture, recycled art, and drawing are all being offered to the creative "diners."

## STORYBOOK ART

*Kim Walbert*

Let fun stories inspire our art projects. Come draw, paint, and create cool paper mache projects inspired by Harold and the Purple Crayon, Elmer, Don't Let The Pigeon Drive the Bus and more!

## THE REMARKABLE RAINFOREST

*Sam Wilson*

Let's explore the wet & wild world of the rainforest through creative expression. Full of colorful creatures, lush foliage, and exotic landscapes, we'll embark on an adventurous journey as we design masks, create our favorite forest dwellers, and make mixed media projects inspired by this unique, biodiverse environment.

## UPCYCLED CREATIONS

*Ana Roca*

Calling all clever and imaginative artists who are ready to design & craft with mixed media! Let's get busy turning materials from the recycle bin into fun creatures, musical instruments, and much more.

## VITAMIN SEA

*Sebastian Melendez*

Get ready to splash into the ocean of beautiful and colorful art pieces inspired by the salty sea. We'll learn about different species of animals who make their home under the water, making mixed media artworks that include upcycled items.

## WATERCOLOR STILL LIFES

*Vicky Tesmer*

Learn to paint flowers, fruit, shells, and more in watercolor. Beginning with basic drawing, the students develop the subject matter on watercolor paper, followed by the adding of color.

## WEARABLE ART

*Christine Otis*

Let's design paper clothing to dazzle fashionistas everywhere. We'll be using shapes, stamps, and drizzling paint to create unique & colorful designs.

## WEAVING WONDERS

*Sara TBD*

Colorful & soft yarn, fun fabrics, and even paper will be our medium and we weave our way into making unique and creative artworks.

## WHAT MAGICALLY APPEARS!

*Christine Otis*

When you apply colorful & dreamy watercolor to a crayon wax base, animals and other designs will appear! As if by magic, we'll create unforgettable art.

## WILLY WONKA'S CHOCOLATE FACTORY

*Sebastian Melendez*

Candies, cake pops, cookies, and ice cream! Our works of art will look oh so yummy. We'll learn about famous artists like Wayne Thiebaud and see his amazing, dessert themed paintings from the 1950s and 1960s. These art projects will be made with mixed media, but look good enough to eat!

## WINTER WONDERLAND

*Sebastian Melendez*

Cool off as we celebrate Christmas in July, making snowy, winter-based art projects. We'll learn about famous artist, Grandma Moses, and explore her fun-filled art pieces.

## WORDS IN PICTURES

*Christine Otis*

This unique class experience will be a wild exploration into two worlds: one written & one visual. Combine text & a colorful drawing of an animal or object to create a single image that can be understood any way you view it.

## WORLD FAMOUS WONDERS

*Sara TBD*

Learn about famous artists and their recognizable styles & artworks each day. We'll create unique & colorful pieces of work inspired by artists such as Yayoi Kusama, Keith Haring, Dali, Jeff Koons and more!

## 3D DESIGN

*Christine Otis*

Using different techniques and a variety of mixed media materials, we'll create unique & colorful 3D designs.

## 3D MURAL

*Ana Roca*

Let your imagination take you beyond flat paper! You'll have a blast getting messy and using mixed media & found objects to create murals and sculptures.

# ARTS COOL

## PLEASE DOUBLE-CHECK THE CALENDAR AND DETERMINE YOUR CHILD'S INTEREST IN SPECIFIC CLASSES BEFORE REGISTERING FOR ARTSCOOL.

Naples Art Institute education department works hard to schedule each class, monitor headcount, and coordinate instructors. When you register your child for a spot in one of our programs, you are reserving a space and committing to join us for that week and time.

# SUMMER ART CAMP

### PLEASE NOTE THE FOLLOWING

- Tuition is \$150 for 5-day class (supplies included).
- Each class runs 3 hours per day for 5 days at 9:00 a.m. to 12:00 p.m. or 1:00 p.m. to 4:00 p.m.
- **Registration closes at 4:00 p.m. the Sunday before that week's classes begin.**
- **No same day enrollments will be accepted on Mondays for that week's classes. Registration for early morning drop off will remain open through each week.**
- Students should bring a drink and snack for the mid-class break.
- Students enrolled all day (AM & PM classes) must bring a bagged lunch from home. Refrigerator space is not available, so please pack accordingly.
- Early morning drop-off between 8:00 and 9:00 a.m. is available for \$5 per day. Please pre-register online. No aftercare is provided, so prompt pick up at the end of class is required.
- Students not being dropped off early must be accompanied to their class room and signed in on the roster by a parent or guardian.
- All students must be signed out on the classroom roster at the end of class.

### ARTSCOOL EDUCATION POLICIES

- Due to class scheduling, purchasing of supplies, and our contract with the instructors, the DEADLINE for a REFUND to withdraw or TRANSFER is at 1:00p.m. on the Wednesday before the class begins. (Five days prior to the start of class).
- All transfers and cancellations will incur a \$20 fee.
- Once a class has begun, a registered student may NOT transfer to another class.
- There are no make-up classes due to student illness, travel, or other reasons that are not the responsibility of Naples Art Institute. While we sympathize with your situation, we have contractual obligations to our instructors that must be met, regardless of whether a registered student attends class or not. We are unable to prorate tuition for missed classes.
- Classes not meeting the minimum enrollment numbers will be cancelled five days prior to their start. Please do not wait to sign up for a class. Your child's registration may be the one that determines whether a class will run or be cancelled. Our contract with instructors requires us to give them an accurate head count five days prior to the start of class.
- Naples Art Institute reserves the right to dismiss any student, without refund, who is disruptive in class, disrespectful to other students, staff, or instructors, or exhibits aggressive and/or violent behavior.
